The advertisement features a close-up of a black, cylindrical spotlight fixture with a textured, sandblasted finish. The fixture is positioned on the left side, with its lens and internal LED components visible. The background is a light gray, textured surface. A large, dark blue, textured triangular shape is overlaid on the right side of the image, containing white text. The Kanlux logo is in the top left corner.

quality of
workmanship.

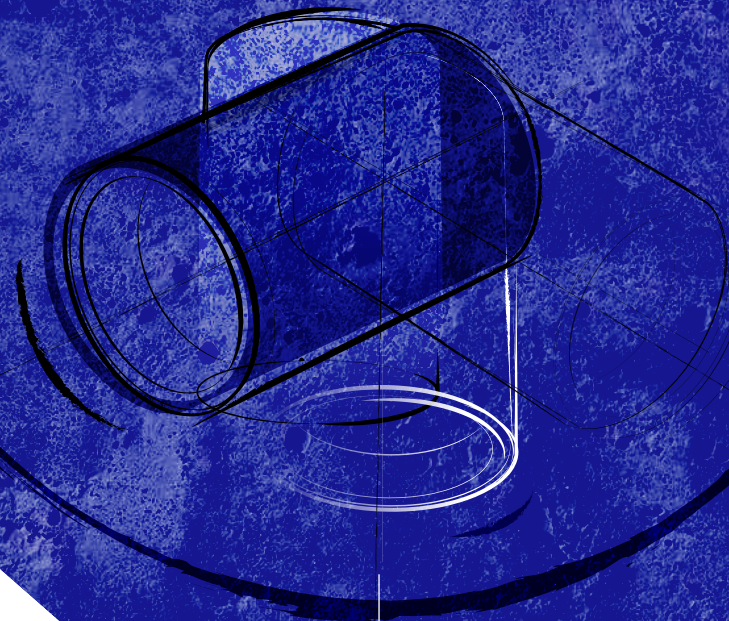

Minimalist
design.

Sandblasted
aluminum
housing

Kanlux

Kanlux BLURRO

It consists of 2 parts **the base**
mounted like a classic surface-mounted fitting
and the tube for a light source
which can be used, like in a spot light,
to adjust the angle of light.
